Why Choose Film?

ECO-FRIENDLY

Materials such as PVC-free films reflect a commitment to sustainable production and environmental stewardship.

CUSTOMIZABLE

Need a customized film pattern? Our in-house design team can bring your dream pattern to life.

STYLISH SOLUTIONS

Specialty films offer solutions to common design concerns, including anti-bird strike applications, safety and security upgrades, screen cloaking, one-way visibility, and writable films.

COST-SAVINGS

Films are a lightweight and affordable solution for both new and retrofit design projects, offering versatility and cost-effectiveness.

SHORT LEAD TIMES

With a fully stocked warehouse and print-on-demand capabilities, we can have your order to you in no time.

PRIVACY WHERE NEEDED

Create privacy while maintaining natural light using gradating designs and full-coverage films that offer visibility as needed.

SURFACE PROTECTION

Semi-permanent glazing solutions like film help extend the life of your glass while protecting interior

ENERGY EFFICIENT

Select films like our UltraCool line deflect harmful UV light and infrared heat, protecting fabrics, furniture, and interior design elements from sun and heat exposure.
